OCTOBER 2022

Titans are Region 1B Champs

PHOTO BY HEIDI MARTTILA-LOSURE

Frederick Area's cross country teams both took home championship honors from the Region 1B cross country meet on Wednesday, Oct. 12. Pictured are, front row, Jillian Ellwein, Laura Sumption, Morgan Sumption, Sofia Losure, and Katelyn Bretsch; and back row, Coach Janelle Barondeau, Noah Kippley, Stephen Achen, Johnathan Bretsch, Winston Clark, Milo Sumption, and Coach Sarah Sumption.

Both of Frederick Area's cross country teams take top spots

BY HEIDI MARTTILA-LOSURE

Bringing home any honor from the Region 1B cross country meet is worth celebrating, as it has some of the toughest competition in the state. Getting a Region 1B Championship plaque is an impressive accomplishment.

On Wednesday, Frederick Area brought home not just one championship plaque, but two, as both varsity teams won.

Frederick Area runners also claimed first place in both JV races.

The meet was held in Webster

during a high wind warning and included a brief bout of sleet and soaking rain between races.

That didn't seem to deter the Titans, who turned in a series of impressive performances.

Girls Varsity

Morgan Sumption, a junior who has been in the top five of nearly every race this season, finished second at regions behind last year's Class B winner, Ella Boekelheide of Northwestern.

Sofia Losure, a junior, turned in a strong performance, finishing

sixth. She cut about 40 seconds off her time from the last time she ran that course, on Sept. 12.

Eighth-grader Katie Bretsch managed to cut 50 seconds off her Sept. 12 time on the Webster course and finished 19th. Seventh-grader Jillian Ellwein had one of the most significant improvements of the day, cutting nearly two minutes from her Sept. 12 time to come in 20th. Laura Sumption, a junior, rounded out the strong Titans team with a 24th-place finish.

Continued on page 10

September Students of the Month

Elementary Students of the Month for September were, front row, Kinlee Christianson, Beckham Sumption, Riley Anliker, and Hailey Jones; and back row, Charlie Foley, McKenna Sumption, and Tate Dosch. The trait for the month was respect.

FASD PHOTOS

Junior high/high school Students of the Month for September, based on the trait of respect, were Laura Sumption, Aubrey Kraig, Nolan Jensen, and Gavin Nickelson.

Recycling rewards

Frederick Area students and staff continue to recycle, and so they continue to earn points through Pepsi's recycling program. Points were recently redeemed for new bins, a cart, gloves, and trash bags. Thersia Cox manages recycling at the school.

This old postcard shows Frederick in its early years. The Frederick Area Historical Society supports preserving memories of Frederick's past for future generations.

Historical Society welcomes visitors; breakfast on Oct. 29

BY MITCH MIKKONEN
President, Frederick Area Historical Society

As we near the end of another year, the members of the Frederick Area Historical Society (FAHS) would like to take this opportunity to thank everyone who helped make this another successful year.

Our goal is to take on a project or two and make sure we accomplish those in a timely and cost efficient manner. For those of you who don't know, we finished remodeling the inside of the Senn Schoolhouse. Upon visiting the one-room schoolhouse, visitors shared memories of their experiences as students or recalled experiences that their parents enjoyed.

Those interested in touring the Senn Schoolhouse can stop by Saturday mornings or call us at 605-290-0593 or 605-329-2137 for appointments.

We would like to take the opportunity to thank the North Brown Community Foundation, as their gift of \$1500 will be used to upgrade electrical capacity in the Flyppa building. Troy Millard and his group will be tackling that project this fall as we look forward to utilizing the space cre-

ated by the electrical upgrades.

We would also like to thank Zachary Mikkonen, who has done a lot of the heavy lifting, especially with his efforts in remodeling the interior of the Senn schoolhouse. Dale Groop provided his carpentry expertise to assist with window framing and installation. Dana Maunu and LeRoy Ham have kept the grounds mowed and trimmed. Doug Braa, Troy Millard, and Ben Hofer have helped in our landscaping efforts with the use of their heavy duty equipment. Kudos for your support.

The FAHS will host a free pancake breakfast 9 a.m. Saturday, Oct. 29. This event is our annual fall event. We coordinate this event to coincide with hunting season. Local and out-of-state hunters are welcome.

The following board members donate many hours of their time to make FAHS successful. They are Jim and Kay Dumire, Sharon Englehart, Walter Robertson, Paula (Kotila) Robertson, Pat Mikkonen, Mitch Mikkonen, Val Nixon, and Mike Morlock.

We are always so grateful to those of you who continue to support our mission at (FAHS) as we take pride in the place many of us still call home.

HELP WANTED: The Community Store seeks a manager, assistant manager, or store workers. Great job in your hometown! Support your local store! Call Donanne at 605-329-2375 if interested.

Frederick Area's enrollment down by two students

The school year is well under way. Frederick Area's K-12 enrollment numbers are slightly lower than they were a year ago on count day, which is the last Friday in September for all districts across the state. We are at 172 students this year, down a couple from the 174 we had last year.

Mid-term for the first quarter was Thursday, September 22, and Parent-Teacher conferences were held on Thursday, September 29. The end of the first nine weeks will be Thursday, October 20. The Frederick Area Marching Band marched in Groton for their annual marching festival on Friday, October 7. The ASVAB test will be administered to our juniors on Wednesday, Nov 2; and the school will also host a blood drive that day as well.

Janelle Barondeau returns as the cross country coach, and she is assisted again by Sarah Sumption. There are 19 kids involved in the program, with nine girls and ten boys participating. There are five high school girls, including juniors Chloe Arneson, Sofia Losure, Laura Sumption and Morgan Sumption, and freshman Chloe Akin. The junior high includes eighth-graders Katelyn Bretsch and Sammy Dallmann and seventh-graders Jillian Ellwein and Arabella Clark. On the boys' side for high school, Stephen Achen and Johnathan Bretsch are the two seniors, with sophomore Noah Kippley, and freshmen Winston Clark, Erik Losure and Milo Sumption. The junior high includes eighth-graders Jax Holmes and Titus Kippley, seventh-grader Howard Sumption, and sixth-grader Tate Dosch. The Region 1B Meet was held in Webster on October 12, with the State Meet in Huron on Saturday, October 22.

The volleyball season will be coming to an end this month, with the last regular season action taking place in Hoven on Tuesday, October 25, when

SUPERINTENDENT'S CORNER

we play Potter County. Coach Leesa Ware is running the program and is being assisted by Alura Johnson. There are twelve girls from Frederick Area on this year's squad. Half of those twelve come from the junior class, including Chloe Arneson, Jocelynn Ellwein, Sofia Losure, Olivia Morlock, Laura Sumption, and Morgan Sumption. The two sophomores are Zoe Cox and Zoe Kempf, with freshmen Kalyce Achen, Malona Cox, and Alivia Little, and seventh-grader Jillian Ellwein rounding out the roster. The post-season will begin on Monday, October 31, with a site and opponent to be determined later.

The football season will also be coming to an end this month, with the last regular season game taking place in Leola on Friday, October 14, when we host Faulkton Area on Senior night. I am leading the program again this year, and my assistants are Marty Morlock, Trevor Van Tilburg, Kennedy Kosters, and Brock Pashen. There are sixteen players representing Frederick Area, including seniors Stephen Achen, Johnathan Bretsch, Jericho King, and Sam Vetter; juniors Daniel Dallmann, McKinley Kosters, Levi Little, Brayden Sumption, and Tristan Sumption; sophomores Ely Jahnig, Noah Kippley, Gavin Nickelson, and Clayton Peterson, and freshmen Ayden Larsen, Milo Sumption and Westyn Thorpe. First-round playoff action will commence on Thursday, October 20.

City of Frederick Sept. 7, 2022 Minutes

Frederick's town board meeting was held Wednesday, September 7, 2022 in the Frederick Community Center beginning at 7:00 PM. Attending the meeting were Chairman Scott Campbell, Board members Troy Millard and Jeff Kosters, Finance Officer and Assistant Finance Officer Jennifer Morlock and Mariah Heine, Utility Manager Rich Bakeberg, and Frederick Volunteer Firefighters Chief Kevin Barton.

Chairman Campbell opened the meeting and led in the Pledge of Allegiance.

The minutes of the August meetings were read and approved with the amendment that the landfill mentioned was the Brown County landfill with a motion by Millard/Kosters; motion carried. The financial statements were reviewed and accepted with a motion by Millard/Kosters; motion carried. The September accounts payable were approved with a motion by Millard/Kosters; motion carried.

OLD BUSINESS

Rich Bakeberg provided a utility report. Five new trees were planted at Simmons Park. Repairs on the baseball field lights will be done in the spring. The community center has more damage from the storm that needs to be repaired.

NEW BUSINESS

Motion to change water rates to \$12 minimum plus \$5.25 per 1,000 gallons effective for October usage to keep up with WEB rate increases made by Campbell/Millard; motion carried.

The city had many volunteers donate labor and equipment in efforts to clean up after the June 14 storm. Despite best efforts, the storm did not qualify the county for disaster relief. The city would like to help thank those who volunteered. Letters have been drafted to offer to reimburse businesses a portion of the wages paid to employees as well as fees for using their equipment. The city also would like to purchase tickets to the Frederick Fire & Rescue Volunteers Fun Night to give to individuals who volunteered during clean-

up. Motion to move forward with distributing letters with intent to reimburse businesses as well as gift individuals with complimentary tickets to the Frederick Fire & Rescue Volunteers Fun Night made by Campbell/Millard; motion carried.

Motion to approve variance for east side setback for Mark Cutlers property for a new shop replacing the old garage made by Kosters/Millard; motion carried.

Motion to approve first reading of 2023 Budget Appropriation Ordinance made by Kosters/Millard; motion carried.

Motion to deny claim of invoice for cleanup costs from Daniel Napton in the amount of \$5,000 made by Kosters/Campbell; motion carried.

Motion to approve blocking the area of 3rd Ave S between Main Street and the alley for the Frederick Fire & Rescue Volunteers Fun Night on October 15 made by Campbell/Millard; motion carried.

Motion to approve a temporary liquor license for the Frederick Fire & Rescue Volunteers Fun Night on October 15 made by Campbell/Millard; motion carried.

Motion to adjourn made by Campbell/Millard at 8:24 PM; motion carried.

M. Heine, Assistant Finance Officer

Shauna Severson, Business Manager

JUNIOR HIGH FOOTBALL

Young Titans improve, gain wins over season

By BROCK PASHEN
Junior High Football Coach

The junior high football team has sputtered at times and looked really good at times throughout the season. As expected with junior high teams, finding consistency is key.

At the Warner Jamboree we went 2-2, highlighted with a win against Northwestern who had defeated the Titans the week prior.

A jamboree in Eureka ensued with the boys claiming victory twice out of three

games, highlighted by an intense matchup and victory over North Central, who had also defeated the Titans in Warner a week before.

We took two of three against a good North Central team on the season, winning a hard-fought matchup 14-12 on Oct. 7.

We finish the season at Hoven for a jamboree and hosting Faulkton in Leola. I feel we got a little better at certain things throughout the season, and this group has a good future ahead of themselves as they continue to improve.

JOB OPENING: The Town of Frederick is hiring a Part-time Assistant to the Utility Manager. Call 605-329-2242 if interested.

2-BEDROOM APARTMENT for rent.
\$400 plus utilities.
Newly re-sided. Includes central air. Call Karen with the Frederick Development Corporation at 605-377-3137 for more information.

Titans look ahead to playoffs

The Titans have won three in a row coming into their last five games of the season, improving their record to 10-13.

“The most important aspect I keep telling the girls is to play to their full potential in every single game,” said Head Coach Leesa Ware. “Ipswich and Potter County will give us some struggles, but I feel we are right at their same ability, and I’m excited for the girls to play them and finish out the season strong.”

The girls have shown improvements in both offense and defense, Ware said.

“We concentrate quite a bit in practice on how to read our hitters defensively and focus on getting to our positions,” she said. “Offensively we have been working on talking to our hitters in the back row and reading the opponent’s defense to take advantage of open spots. We have focused on being a strong, consistent all-around volleyball team.”

While the team is now ranked fifth in the region, Ware expects them to improve that

ranking before the end of the season. “The girls are well aware of the competition finishing out the rest of the season, and I know they play hard and strong. Our only downfall right now is finishing, but every day we are working on ways to improve this challenge.”

A new coach, Kacy Waltman, will lend a helping hand for the rest of the season, as Ware is expecting and her due date is soon. Waltman will assist Coach Allura Johnson with practices and games. Waltman is originally from Warner and played under Coach Jung, as Ware did. “I am excited to have Coach Waltman on board since we have very similar playing experiences and coaching mechanisms,” Ware said.

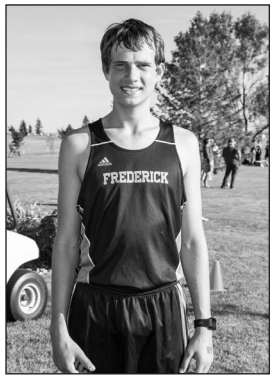

“The girls continue to work very hard in practice and out on the court,” she said. “Each player has outlined personal and team goals we would like to accomplish by the end of the season. They know with hard work and ‘finishing’ of a game, we can still go far and finish out the season very strong.”

Champs: Most Titan runners cut time despite tough conditions

Continued from front page

After winning the Lake Region Conference title on Oct. 5, the Frederick Area girls team knew their biggest competition at regions would come from one team that wasn't in their conference: James Valley Christian. JVC's top two runners finished fourth and fifth, but their third runner came in 23rd, after both Bretsch and Ellwein. JVC finished second in the team competition with 29 points, behind Frederick Area's 26 points.

JVC wasn't the only strong competition in Region 1B, however. Six of the top eight Class B girls teams in athletic.net's rankings are in Region 1B: Frederick Area, James Valley Christian, Ipswich, Northwestern, Deubrook, and Aberdeen Christian.

Only the top three teams from any region can advance. The third Region 1B team to make it to state, in addition to Frederick Area and JVC, is Northwestern, which tied Ipswich with 35 points but won based on their fourth runner.

Boys Varsity

The Frederick Area boys team came into the region meet with a pretty good idea who their toughest competition was, since they had lost to them at the conference meet just one week earlier. Northwestern's Lincoln Woodring led his team to a conference title on Oct. 5, and he finished first at regions as well. The rest of the places didn't shake out quite the same, however, and the Titans found a way to take the team title.

All five of the Titan runners qualified for the state meet individually by finishing in the top 20.

Senior Johnathan Bretsch had the highest place for the Titans, finishing third, with a 40-second improvement from his Sept. 12 time on that course. Freshman Milo Sumption was not far behind in fourth place, with a 15-second improvement since Sept. 12.

Freshman Winston Clark came in seventh, with a time about 48 seconds faster than his Sept. 12 time.

Senior Stephen Achen, who has been battling shin splits, gutted it out for 18th place and a one-second improvement from September. Sophomore Noah Kippley improved his Sept. 12 time by 11 seconds to snag 20th place.

The Titans won with 14 points, followed by Northwestern with 19 points and Deubrook with 31.

Junior Varsity

Many of the junior varsity runners started their combined race soaked to the skin after sleet turned into a brief but intense downpour. Perhaps that made the Titan runners eager to get to the finish, as they all ran well.

In the boys competition, eighth-grader Titus Kippley won the race, his second win of the year. Seventh-grader Howard Sumption was not far behind, finishing second. Erik Losure improved his time on that course by more than a minute and a half to finish 10th. Jax Holmes improved his time by about 50 seconds and came in 17th.

Freshman Chloe Akin won the girls competition, which was her second victory of the season. All of her teammates also received medals: Junior Chloe Arneson cut 50 seconds off her Sept. 12 time to finish fifth, Samantha Dallmann had a 30-second improvement to finish 6th, and Arabella Clark cut about 30 seconds to finish 7th.

Tate Dosch, the lone sixth-grader in cross country, could not compete at regions but ran at a middle school competition on Tuesday and received a medal.

The Titans' 10 varsity runners now turn their attention to the state meet, which will be held Saturday, Oct. 22, at Broadland Creek National Golf Course in Huron. The Class B girls race starts at 1 p.m., and the boys race is at 2:30 p.m.

“Our runners did a great job of controlling what they could control in their races. They ran their best, and their best was amazing! For both teams to be Region Champions is pretty special.”

—Coach Janelle Barondeau

Runners start the boys varsity race.

Titans hit their watches as they start the girls varsity race.

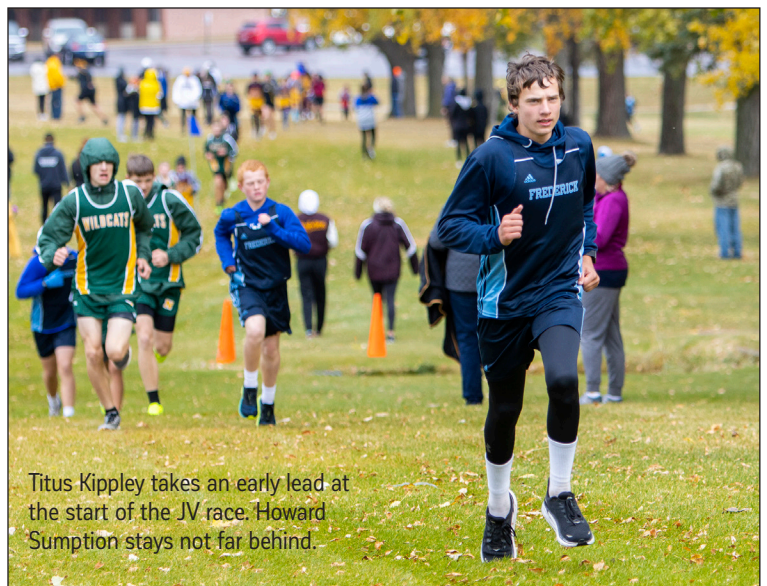

The Titans JV runners take off after getting rained on at the starting line..

Milo Sumption and John Bretsch get some encouragement.

Winston Clark competes in the varsity race.

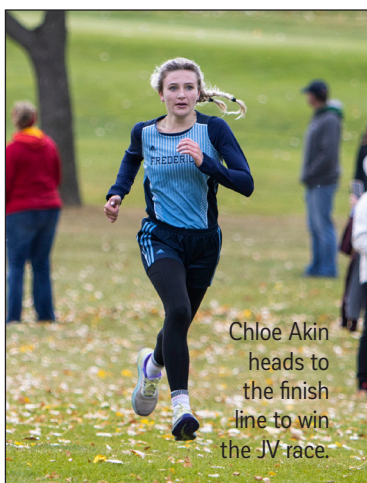

Titus Kippley takes an early lead at the start of the JV race. Howard Sumption stays not far behind.

Morgan Sumption keeps her pace early in the race.

Sofia Losure sprints for the finish.

Chloe Akin heads to the finish line to win the JV race.

Oct. 12 SDHSAA Region 1B Cross Country Meet

FOOTBALL

Playoffs are coming up for Titans

BY JEFF KOSTERS
Titans Head Football Coach

The Leola/Frederick Titan Football team will wrap up the regular season in Leola on Friday and the first round of the playoffs will begin on Thursday, Oct. 20.

While hosting a playoff game is not in the cards, a win in our last game would help in our seeding, and it would be nice to get a win on Senior Night against the same team that beat us in Leola last year. Faulkton Area comes into the contest with the same record and seed points as us.

After winning our first game, we lost three of our next four, but have bounced back with back-to-back road wins in Gettysburg against Potter County and in Eureka this past Friday against North Central.

We hope to remain as healthy as possible and look to finish the regular season with a win over Faulkton Area to make it three straight and build some momentum as we prepare for the playoffs.

TITANS FOOTBALL (4-3)

8/19/22	vs Langford Area	W 50-0	9/30/22	@ Potter County	W 26-12
8/26/22	vs Warner	L 12-26	10/7/22	@ North Central	W 58-0
